NOTES TO FINANCIAL STATEMENTS (CASH BASIS)

December 31, 2014 and 2013

NOTE 1—ORGANIZATION AND MISSION

Himalayan Children's Charities, Inc. (HCC) is a nonprofit organization incorporated in September 2000 under the laws of the state of Florida. In July 2009 HCC transferred to a nonprofit organization incorporated under the laws of the state of Georgia. HCC raises funds to provide better care, living facilities, and education for Nepalese orphaned and abandoned children. HCC's goal is to upgrade the quality of life for as many of these children as possible so they can have the same opportunities in life afforded to children in more fortunate situations. HCC also strives to teach the children values and responsibility which would be learned from their parents in a normal home environment.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: HCC prepares its financial statements in accordance with the cash basis of accounting.

Cash and Cash Equivalents: HCC considers all cash investments and highly liquid investments to be cash equivalents.

Contributions: Unconditional promises to give and contributions received are recorded as unrestricted support unless explicit donor stipulations specify how the donated assets must be used.

Functional Allocation of Expenses: The costs of providing the program have been summarized on a functional basis in the statements of activities.
