

Legacy Endowment Fund

HCC will graduate 500 students from universities in Nepal over the next 50 years. We'll achieve this by raising \$5 million over the next 5 years. We are looking for partnerships with inspired philanthropists to help fund this endowment, and we invite you to join us in our mission. Together, we will change lives, and make a lasting impact.

Our programs have been developed over 22 years of experience in Nepal. They are designed to meet the needs of each student, as we guide them in their journey through higher education and into adulthood. We support inspired and inspiring youth in need who would not be able to otherwise continue their education.

In 2019, we created HCC's Legacy Endowment Fund to provide PEAK scholarships for up to 10 new students each year, in perpetuity. A gift to the endowment today ensures transformative programs for thousands of youth in Nepal for generations to come.

PEAK scholarships cover 3-6 years of higher education fees, room and board at HCC housing, mentorship, skills training, and living expenses. We can provide this life-changing opportunity to highly motivated yet disadvantaged youth in Nepal for just \$20,000 - \$25,000 total per student.

The university graduation rate for our students is 95%. They are successful academically and graduate as highly employable, empowered community leaders. As of 2022, 18 HCC students have graduated from university, 5 have gone on to post-graduate degrees, and 40 students are currently enrolled in higher education.

Of our \$5 million working goal, nearly \$1 million has been raised, with another \$1 million pledged over the next 7 years. The Keenan Family Foundation will also match all donations up to \$100,000 per year for the next 5 years. Named scholarships, special events in the USA, and trips to Nepal are available. To further explore the possibilities, please contact Bruce Keenan at bkeenan@hccnepal.org or 305.495.7531.

A donation to HCC's Legacy Endowment Fund is a wonderful opportunity to give a gift that keeps on giving, and make an impact where it is needed most. Your single gift will provide higher education, mentorship, and care to many students over time, and change many lives.
